

Brut de Cuve

Merlot Grenache

Sulfite free

Like tasting the wine straight from the vast!

Merlot and Grenache in the tasty expression.

Colour: Red

Alcohol content: 13%

Grape variety : Merlot and Grenache

Harvest: Harvested in mid- September.

Vinification: Once picked up, the grapes are put to vasts and vinification without sulfites takes place. The maceration takes only around twelve days in order to guarantee the extraction of the sweetness in the grapes.

Wine Tasting: A wine that tastes like a 100% grape juice. The nose is full of aromes of blackcurrant and wild blueberries. The palate is energetic, tonic and velvety.

Wine pairings: Aperitif, charcuterie, cheeses, tapas

Sulfite free wines are recommended to be stored on a place with moderate temperatures.
