5 - 15 years

FOOD PAIRING

Grilled beef with vegetables, stuffed tomatoes, shepherd's pie, hard cheeses that have been aged for six months.

HARVEST

Mid-September

VINIFICATION

Maceration in tank for 15 days at controlled temperature (25°C) to protect the aromas. Regular pump overs until mid-fermentation for gentle extraction.

AGEING

Aged for 8 months in tank with oak staves, which gives the wine its fine structure and aromatic complexity.

TASTING NOTE

Equinoxe Zero is a red wine with no alcohol but plenty of character and some intense notes of spice, roasted coffee and candied fruit. Its body and length are impressive.

An alcohol-free red wine made from premium dealcoholised red wines
